Request for Proposals for Service Contract for City Parks Grounds Maintenance

The City of Gulfport is soliciting proposals from qualified individuals or Services to perform City Parks Grounds Maintenance.

All bids must be received in the Procurement Office of the City of Gulfport, 1410 24th Avenue, Gulfport, MS 39501, no later than 5:00 o'clock p.m., local time, September 8, 2014, after which time they will be opened and read aloud. Information packages are available at the City of Gulfport, Procurement Department, 1410 24th Avenue, Gulfport, MS 39501, between the hours of 8 A.M. and 5 P.M., Monday through Friday.

Bids may be held by the City of Gulfport for a period not to exceed sixty (60) days from the date of opening for the purpose of reviewing the bids.

The City reserves the right to reject any and all proposals or to waive any informality. The City of Gulfport is an equal opportunity employer. Contract Award is based on lowest and best bid submitted.

Request for Proposals

City Parks Grounds Maintenance

I. Statement of Work

The City of Gulfport is soliciting proposals from qualified and professional firms to provide grounds maintenance at parks within the City of Gulfport.

Please read your specifications thoroughly and be sure that the **PROPOSALS** offered comply with all requirements. All information requested must be submitted with proposal, failure to submit information as required may be justification for disqualification of respondent.

The proposal to be selected by the City of Gulfport shall be the proposal that, in the opinion of the City of Gulfport is the "lowest, best and most advantageous" to the City of Gulfport.

II. Scope of Services

Scope of Work

A. Base Bid

1. Mowing, trimming/weed eating and edging turf and lawn areas, sidewalks and walking paths
2. Maintenance of landscape beds – weed and debris removal, mulching
3. Pruning and trimming trees and shrubs
4. General site cleanup, removal of litter and debris

B. Alternate Bid

1. Mulching trees and shrubs outside landscape beds
2. Aerating lawn and turf areas
3. Street and parking lot sweeping, other than that required as a result of landscape maintenance operations
4. Daily site litter cleanup

III. Technical Proposal

The firms submitting proposals shall include proposal statements on the following:

- A. Each bidder shall include a list of at least five current references for which they have provided services. The list must contain the following information:
 - 1. Contract Administrator name, phone number, email address
 - 2. Job location and scope of work
- B. Please submit statement of qualifications (experience, areas of specialization, number of years in this type of business, along with a list of number of employees by class to be assigned to this project) with bid.

Proposals will be reviewed by the Selection Committee, using the following selection criteria. Each member of the committee will assign points to each criteria based on the content of the proposal. Negotiations will be conducted initially with the firm receiving the highest number of votes, as rated by the Selection Committee. If a mutually satisfactory contract cannot be negotiated with the firm, the firm will be requested to submit a best and final offer, in writing, and if a contract cannot be reached after the best and final offer, negotiation with that firm will be terminated. Negotiations then will be initiated with the subsequently listed firm in the order of rating, and this procedure will be continued until a mutually satisfactory contract has been negotiated. In addition to reaching a fair and reasonable price for required work, the objective of negotiations will be to reach an agreement on the provisions of the proposed contract including scope and extent of work and other essential requirements.

In order for the selection committee to adequately compare proposals and evaluate them uniformly and objectively, firms must complete **ONLY** the Vendor Response document regardless of whether you are submitting hard copy or electronically; i.e. do not submit the Vendor Response document and a response in another form/format.

Each proposal will be evaluated for full compliance with the RFP instructions to the offeror and the mandatory terms and conditions set forth within the RFP document. The objective of the evaluation will be to recommend the firm who is most responsive to the herein described needs of the City.

Proposals submitted pursuant to this RFP shall be brief and to the point. All proposals submitted under this RFP shall become the property of the City of Gulfport and will not be returned.

Acknowledgement of Addenda

Addenda may be issued in response to changes in the Request for Proposals. Addenda must be acknowledged by signing and returning the addenda form. Acknowledgements must be received no later than the proposal due date. If acknowledgments are returned with the proposal, they must be submitted with the technical proposal only. Failure to properly acknowledge any addendum may result in a declaration of non-responsiveness by the Governing Authority.

Proposer acknowledges receipt of the following addenda:

Addendum No. _____ dated _____

Addendum No. _____ dated _____

IV. CRITERIA FOR SELECTION

The following selection criteria are examples of areas that will be used as the basis for the evaluation of proposal. The criteria are listed in order of importance.

1. Experience and Qualifications
2. Vendor stability, age and size
- 3.
4. Cost

V. CONTRACT ADMINISTRATION

A. Project Manager

The City of Gulfport will designate a Project Manager to coordinate this project. The successful responder will perform all work required pursuant to the contract under the direction of and subject to the approval of the designated Project Manager.

B. Expenses of Preparing Responses to this RFP

The City of Gulfport accepts no responsibility for any expenses incurred by the responders to this RFP in the preparation of their responses. Such expenses are borne exclusively by the responders.

C. Submittal Instructions

One (1) original three (3) copies, clearly marked and identified as "Grounds Maintenance Contract" must be submitted to the Procurement Office, 1410 24th Avenue, Gulfport, MS 39501, no later than 5:00 pm on September 8, 2014, after which time they will be delivered to the Selection Committee. Envelopes which are not properly identified or received after the above date and time as noted, will be returned unopened.

D. Proposal Duration

Proposals submitted in response to this RFP must be valid for a period of ninety (90) days from proposal submission deadline, and must be so marked.

E. Award of Contract

A selection committee will review and rate all proposals and may determine an interview list of the firms whose proposal is highest rated based on qualifications and information provided.

Interview listed firms will be scheduled for oral presentation to the selection committee, not to exceed one hour's duration, responding to questions from the selection committee relevant to the firm's proposal.

The selection committee may then rescore all interview-listed firms based on the information submitted and oral interview, and will compile a new list ranking those firms. After all rating is completed, the committee will open cost proposals of only the final short listed firms and will include the cost proposal information along with its recommendation to the Administration and City Council, who will make the final decision as to award of Contract.

Authorizations

Proposals are to be signed by those officials and agents duly authorized on behalf of their respective institutions to sign proposals and contracts.

Cancellation

The City may terminate this contract at any time without cause, in whole or in part, upon giving the contractor a thirty (30) day written notice. Upon such cancellation, the contractor shall immediately cease services at the conclusion of the thirty (30) day notice period. The City shall be liable and responsible to the contractor only to the extent of work already performed. Should services be unsatisfactory or untimely, the City shall have the right to cancel the services immediately pursuant to a written notice that identifies the failure to the contractor. Cancellation shall not release the OFFEROR from legal remedies available to the City.

The Contractor may not cancel the award during the initial contract term, but may, upon sixty (60) days written notice to the City, cancel the contract during subsequent terms.

Disqualification of Proposer

Although not intended to be an inclusive list of causes for disqualification, any one or more of the following causes, among others, may be considered sufficient for the disqualification of a proposer and the rejection of his proposal:

1. Evidence of collusion among proposers.
2. Lack of competency as revealed by either financial statements and/or experience as submitted or other factors.
3. Lack of responsibility as shown by past work, judged from the standpoint of workmanship as submitted.
4. Default or termination on a previous contract for failure to perform or otherwise.

Questions

Questions regarding this RFP should be directed to the Procurement Office by email: cdebenport@gulfport-ms.gov or facsimile (228) 868-5705, *not less than seven (7) business days* prior to the proposal due date. All questions must be submitted *in writing*; telephonic inquiries will not be considered.

Direct Contact

Direct contact with any City employee, including the Governing Authority, on the subject of this proposal, is strictly forbidden. Violation of this paragraph will result in disqualification of your proposal.

Trade Secrets/Proprietary Information

Trade Secrets or Proprietary information submitted by an, offeror, or contractor in connection with a procurement transaction shall not be subject to public disclosure under the Mississippi Freedom of

Information Act; however, the, offeror or contractor must invoke the protections of this section prior to or upon submission of data or other materials to be protected and state the reasons why protection is necessary. *Price quotations in proposals submitted to the City are not "proprietary" or "confidential".* They are considered public information.

Please mark one:

☐ **No**, the submittal I have turned in does not contain any trade secrets and/or proprietary information.

☐ **Yes**, the submittal I have turned in does contain trade secrets and/or proprietary information. If **YES**, please list the *page numbers* **and** the *reasons* why the information is considered a trade secret and/or proprietary information. These pages shall be conspicuously labeled "PROPRIETARY INFORMATION" in red ink at the top and bottom center of each page.

Do Not Mark the Whole Proposal Proprietary

The contractor will be and state that he is an equal opportunity employer in all solicitations or advertisements.

For the purposes of this subsection, "A drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this subsection, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

GROUNDS MAINTENANCE TASKS

I. Maintenance cycles and schedule - A cycle is defined as the activities necessary to perform a particular maintenance task one (1) time.

- A. April through October – all site locations to be cut/maintained on a weekly basis, 28 mowing cycles annually.

November through March – all site locations to be cut/maintained once per every 3 weeks, approximately 6 mowing cycles annually. The contractor may be instructed to mow more frequently in faster growing months and less in slower growing months.
- B. Litter and debris removal shall correspond with mowing cycles. Litter and debris shall be collected before and after each mowing. Where more frequent mowing is required or directed, litter pickup and debris shall be completed along with each mowing.
- C. The Contractor shall provide the City a schedule of what days, where and how many crews are mowing grass. The Contractor shall keep the schedule accurate and up to date.
- D. All mowing, edging and litter/debris removal under these contracts shall be performed on consecutive days for each contract (site) and continue until the cycle is complete.

II. Equipment

- A. All equipment utilized in the performance of this contract must be furnished by the mowing contractor and shall be in good mechanical and safe condition. All equipment shall meet minimum OSHA standards.
- B. All rotary mowers must be equipped with safety shields, chains or guards to prevent damage to property by flying debris from under mower. Engines must be equipped with manufacturer approved mufflers to reduce noise emission.
- C. All equipment shall be kept in good operating condition and shall be maintained to provide a clean, sharp cut of the vegetation at all times.
- D. Lawn edgers may be rigid or flexible blade type that will produce a fine clean edge.
- E. Disinfecting of equipment: All mowing and edging equipment shall be disinfected before commencing work at any site under this contract if diseased plants have been cut or trimmed with that equipment within 3 days of entering the site. Disinfectant shall be 1 part of fresh bleach to 9 parts of clean tap water, applied by spraying to the blade(s) and underside of cutting decks and/or all pruning tools.
- F. Contractor shall provide at his expense such personal safety equipment for all personnel working at each site that is normally found in “best practice”. This shall include but not be limited to eye, ear, skin and head protection.

III. Mowing, lawn and turf maintenance

- A. All areas within the project limits shall be mowed during each cycle and on continuous days, save and except for Sunday's and days of inclement weather.

- B. The Contractor shall mow as close as practical to all fences, curbs, walls or buildings where applicable. Any vegetation unable to be cut by mechanical means must be cut by other means to a height of 2 inches.
- C. Use string trimmers to cut grass in areas inaccessible to mowers. Do NOT use string trimmers to expose sprinkler heads. Trim grass around sprinkler heads with a circular sprinkler head trimmer.
- D. Mechanically edge grass along or around all walkways, curbs, ramps, embankments, obstructions, light poles, fencing, signs, trash receptacles, benches, landscaped beds, and canal edges.
- E. String trimmers are **NOT** to be used within **12” of the tree or shrub trunks**.
- F. Chemical edging is allowed around trees, large shrubs, irrigation and water meter valve boxes and fencing but not along edges such as walks and curbs or sprinkler heads. If chemical edging is used, Contractor must provide City with a list of all chemicals to be used, amounts used, and dates of application. Herbicides may be used to prevent plant growth in any cracks in sidewalks, trails or within paved areas.
- G. Grass shall be cut at a uniform height of 2 inches. All equipment must be set at the same height in order to produce an even cut and appearance.
- H. All grass clippings shall be mulched. No “wads” or piles of grass clippings will be allowed to remain on the lawn or turf after mowing operations.
- I. Any suspected disease or insect problem shall be reported immediately to the City’s representative and treated by Contractor, at Contractor’s expense as per III.N.
- J. All grass clippings, dirt, dust and any other debris must be removed from all plant beds, sidewalks, ramps, driveways, parking lots and trails after each mowing. Power blowers, vacuums and sweepers are permitted.
- K. Special care shall be taken to prevent clippings and debris from being directed into irrigation canals, storm water detention areas, streets, gutters or storm sewer inlets.
- L. Mowing will not be permitted when, in the opinion of the City, the soil and/or weather conditions are such that property could be damaged. The Contractor, at his/her own expense, shall immediately repair any such damage or rutting.
- M. Uneven cuts, scalping, and varying heights of lawn areas will be considered unsatisfactory to City standards. The Contractor will be given one written notice for each occurrence. If the problem reoccurs in the same location(s), the City shall deduct \$100 for each occurrence from the amount due the Contractor in order to offset the cost to the City to correct unsatisfactory work.

IV. Litter and Debris Removal

- A. All litter and debris must be collected, removed and disposed of properly from the project sites during each cycle.
- B. Litter and debris shall be picked up prior to each mowing cycle and then immediately following the actual mowing and trimming. This is to retrieve any litter missed the first time and cut into smaller pieces by the mower.
- C. Litter and debris shall be disposed of properly, off site, at the Contractor’s expense.

- D. Litter and debris shall be defined as any object not intentionally placed at the project sites for a specific purpose. This shall include but not be limited to paper, wrappers, cans, bottles, building material, disposable diapers and cigarette butts found on the grounds and all objects found in trash receptacles.

V. Special Conditions

- A. Contractor shall advise the City by telephone, immediately upon discovery and in written form within 24 hours, of any obvious irrigation problems. This shall include but not be limited to broken sprinkler heads, leaks, breaks, wet spots, missing valve box covers and dry spots.
- B. Contractor shall notify the City of any plant problems such as leaf drop, discoloration, insect infestation and death, in written form within 24 hours of discovery.
- C. Contractor shall be able to provide services for Special Events within 24 hours of request. These requests may substitute for regularly scheduled cycles or may be in addition to regular cycles, solely at the discretion of the City.
- D. Periodic inspections will be made by the City to determine the quality of the work being performed.
- E. City will notify Contractor as soon as possible of any Special Events, such as outdoor festivals, etc., that may affect elements of the **Grounds Maintenance Contract**. Contractor shall adjust work schedules as necessary.

VI. Safety and Damage

- A. If traffic or pedestrian levels are such that mowing the area will impede traffic or endanger the public in any way, work must cease until such time as those factors causing cessation of work have abated. If the Contractor fails to cease work on his/her own judgment, the City shall have the right to halt the Contractor's work.
- B. In order to insure safety to the public the Contractor shall take adequate safety precautions. He shall coordinate all work with the City and shall place warning signs in accordance with the State of Texas Manual on Uniform Traffic Control Devices, where applicable.
- C. Signs, sign stands and safety flags as may be required to protect the public shall be furnished by the Contractor. The Contractor shall be responsible for maintenance, repairs and/or replacement of all signs and safety devices as necessary or as required by the City.
- D. The Contractor will confine all operations to weekday, daylight hours, unless otherwise authorized by the City.
- E. The Contractor shall exercise care so as to avoid damage to trees, shrubs, sprinklers, utilities and other amenities within the project site. **Damage must be corrected or repaired by the Contractor**, at his/her expense, or may be performed by the City and the costs for such repairs deducted from payment. All repairs must be completed within five (5) days from date of damage.

VII. Neglect and Vandalism

- A. Turf, shrubs, trees or other plants that are damaged or killed due to Contractor's operations, negligence or application of pesticides shall be replaced by the Contractor, at no expense to the City. If damage is due to conditions beyond the Contractor's control, replacement shall be at the City's expense under "Extra Services".

- B. Sprinklers or irrigation equipment, or other structures that are damaged by the Contractor's operations must be replaced by the Contractor promptly, with like materials. Damage to the irrigation system by others, shall be repaired by the Contractor as per "Extra Services", with appropriate documentation.
- C. All water damage, either natural or man-made; resulting from Contractor's neglect shall be corrected at the Contractor's expense.
- D. All damage to landscaping, hardscaping and/or irrigation system due to thefts or vandalism, not caused or allowed by the Contractor shall be corrected by the Contractor at the City's expense, upon written authorization to proceed.
- E. All damage to windows, windshields, or other such damage to buildings, equipment or vehicles on the site caused by Contractor shall be promptly corrected at the Contractor's expense.
- F. The Contractor shall answer emergency or complaint calls within two (2) hours and corrective action shall be complete within eight (8) hours.

VII. Site Conditions

The Contractor shall become familiar with each site and condition of all plant materials. He should know the location of all irrigation meters and valves so that irrigation systems can be turned off, if and when damage occurs. The Contractor shall notify the City, in writing, at the beginning of the contract of any conditions that do not meet the intended standards of care as outlined in these specifications.

VIII. General

- C. Under the terms of this agreement, the Contractor shall not, in the conduct of their business and in the process of employment, payment of salaries, assignments, discipline, or termination, harass, intimidate, or discriminate against employees or prospective employees by reason of race, color, national origin, religion, sex, age, disability, sexual orientation or veteran's status.
- D. The Contractor shall comply with all applicable federal, state, and local laws, ordinances, rules, regulations, and orders of all authorities having jurisdiction over the contract. The contractor cannot hire individuals for this project who are currently employed by the City of Gulfport.
- E. Contractor agrees that all subcontractors performing work under this agreement shall comply with its provisions and it is expressly understood that all persons employed by the Contractor, either directly or indirectly, shall be considered employees of the Contractor and not employees of the City. The Contractor shall notify the City when and where subcontractors will be used at the time their proposal is submitted.
- F. The City reserves the right to inspect and audit at its expense, the financial records and support documents of the Contractor or any subcontractor(s) hired by the Contractor relative to any work paid for or reimbursed under this contract.
- G. This contract may not be assigned without the express written consent of the City.

IX. Bond, Insurance and Hold Harmless

- A. The Contractor, simultaneously with the execution of the contract, will be required to furnish a performance bond in an amount equal to thirty (30) percent of the total contract price. The bond is to be held by the City for the duration of the contract. The premium for the bond shall be paid for by the Contractor. The surety of the bond shall be a duly authorized corporate surety authorized to do business in the State of Mississippi. Attorneys-in-fact who sign the bonds must file with each bond, a certified and effectively dated copy of their Power of Attorney.
- B. The Contractor shall procure at his/her own expense and maintain during the existence of the contract, workmen's compensation and employers liability insurance and other such insurance as may be required under applicable state statutes.
- C. The Contractor shall procure at his/her own expense and maintain during the existence of the contract, comprehensive general liability insurance, including a personal injury and blanket contractual coverage, automobile liability insurance and umbrella liability insurance with combined limits of not less than \$500,000.
- D. At the request of the City, the Contractor shall obtain and deliver to the City certificates evidencing such insurance from its insurance carriers. The insurance should be submitted in Accord form 25 along with a waiver of subrogation in favor of the City of Gulfport and shall name the City of Gulfport as an "Additional Insured". The Certificate of Insurance shall name the City of Gulfport as the Certificate Holder.
- E. The Contractor shall save and hold the City harmless from actions or claims against the City that may arise in connection with the use or operation/performance of the service(s) called for.
- F. In the event that the contractor fails to maintain and keep in force insurance as herein provided, the City shall have the right to immediately cancel and terminate the agreement and forfeit any bonds that may be posted with the City for this project.
- G. The Contractor shall indemnify and hold harmless the City, its officers and employees from all claims, suits, actions, damages, and costs of every nature and description arising out of or resulting from the contract, or the extension of services under the contract.

X. Termination and Abandonment

- A. Termination with Default: If the Contractor fails to perform under the terms of this agreement, the City will provide written notice to the Contractor. If such default is not remedied within thirty (30) days, the City may terminate the agreement immediately for default and shall give the Contractor written notice of its termination. Such failure to perform includes, but is not limited to, failure to operate in a reasonable manner or during reasonable hours, failure to respond to requests to mow or failure to pick up litter. In the event of termination for default, the City shall have against the Contractor all remedies provided by law and equity.
- B. Termination without Default: This agreement may be terminated by either party at any time by giving written notice to the other party at least forty-five (45) days prior to the effective date of termination.

XI. Inspection and Payment

- A. Upon completion of the entire maintenance cycle of each site, the Contractor shall notify the City that all work is complete and ready for final inspection. The City shall inspect all work within three (3) working days and notify the Contractor in writing or verbally of the acceptance or rejection of the work. Any work rejected must be completed within five (5) working days and prior to submittal of payment request to the City.
- B. The Contractor's performance will be evaluated for each cycle. In the event the performance is unsatisfactory and the poor performance is clearly the fault of the Contractor (any service not performed that is required by the contract), the Contractor will be given written notice stating the deficient area(s), a date of deficiencies must be completed by, and the amount of money being withheld until deficiency is corrected and satisfactory to the City. Partial payment shall be allowed only when unforeseen, unavoidable circumstances, in the opinion of the City, render a complete mowing or landscape bed maintenance impractical. This partial payment will be based on the percent of mowing or landscape bed maintenance actually completed as determined by the City.

Minimum Insurance Requirements

Professional Liability:	\$1,000,000	Each Person
	\$3,000,000	Total Aggregate
Workers Compensation:	\$500,000	Each Accident
	\$500,000	Each Employee Disease
	\$500,000	Policy Limit Disease
